1. The now me me, who can see? Who will see? That which made perfect is, is, the me now; whoso is willing, to be/have been made perfect, -ly, me? Mealy mouth not; I speak the word my father gives me. I am his/the word of my mouth now creates me/all things new and I am I am and, who are you if you're not me?

2. Shaytel? Or what's thy name now, one that's not me, not? What why where for who you are many not one or one or what coming into now, the full/fullness me, I am and there for, not; therefore enter me/one so holy, to be holy. Holy be, me. I am holiness central purified seven times before thee, am I not? I love you all.

3. This much more see elementarily not; University style, universes see now, rising, me, me's, thee. I am one. I am one I am whole I am I am and I am I am, aren't you? Who else could/should you be? Choosing your own accord, falling again? Constantly into abyss one, not, or cracks not few in the earth now, 's surface now? Again?!!

4. Who will see my word given, that they are my word given to universes many, plural; plurality'self, not; one, me, perfectedly, perfectly me/perfected and one and who can see my writing style encompass me/perfection, them becoming it through my writing style/perfection of words that perfect, neatly not, sometimes, and thoroughly humorous others, but yet the hammer falls, not as desired/thought, but thought does. All rise. Me.
5. I love you all. Good day.

6. Suffer, many do now. Unnecessarily. Coming to an end, all is.
7. The end is now/night/near and now's your name, isn't it?
8. The beginning is begun. The beginning is now.
9. **Beginning your name now.**

10. Please and thank **you all: know these words beginning to end, and pray me/father reveals all me in them to thee** that ted knows/has revealed in these words, now in him, see the beginning, end, and all things cataclysmic; **day of the lord is here**. Not here? Fool yourself not oh fool -ish one, again, falling into abyss one, 13 not; or how many abysses/crack/crevices have worlds fallen in to, now?
11. Again?
12. Need not be so.

13. Shine the light away! Away into the stars/starry night sky 's; and **see the light, thou art**, reaching billions millions miles away from star'one, planet'ing galaxy one? or one that's me first and now all things end/begin.

14. Loving you all.
15. Amen.

16. Just the beginning begun.
17. SEE the all university me arise.

18. Amen.
19. Good day.

20. Finish, complete me.
21. Amen.

22. Go/come and rise arisen.

23. Love you all.

24. Good day.
